Match Committee

2022/23 Women's Club Championship

The survey regarding the composition of women's teams for the 2022/23 club championships has been completed.

The result was a majority of women members supported the process of teams being formed/drawn on a grading structure as has happened for the last 2 seasons.

Accordingly, it has been recommended by the Match Committee, and passed by the Board, that the grading process will continue to be used in the coming seasons.

Club Championship Triples

In a further recommendation from the Match Committee - it has been confirmed that from the 2022/23 season our club championship triples will be conducted under the two-bowl format, rather than the three-bowl format.

Some Background

The Wellington Centre Open Triples and the Champion-of-Champions events are conducted using the two-bowl format.

Remember to support our sponsors: Upper Hutt Produce, Summerset, Panda Furniture, Bold Motors, Lee-Anne Walker & Paul Hullett (Harcourts), Oracle Hearing, Liberté Salon & Spa, Flair Flooring, Elite Catering, Nick Thomas Flooring and The Cossie Club.

WEDNESDAY CATCHUP

With our club playing the three-bowl format our Centre event players are not accustomed to the two-bowl format. There are significant differences in strategies, priorities (e.g., critical importance of drawn shots from the outset of a head in the two-bowl format) between the two formats.

The club needs to support our players to be as competitive as possible in these events.

Note: The club will continue to hold 3 other bowl triples events

Prize Giving

Prize Giving: Friday 1st July. This will be an opportunity to **celebrate** our successes and **congratulate** our winners. Mark the date in your diary and be ready for a very enjoyable night.

AGM: Sunday July 24th:

We still need to fill the position of Secretary for the new board. If you think you can help, please put your name forward. Assistance can be provided in training for the role.
